

PART 1

1890 FEDERAL CENSUS OF VETERANS
AND WIDOWS
FOR CLATSOP COUNTY, OREGON

Clatsop County, Oregon, in the 19th Century

()

1. The first part of the document is a list of names and addresses.

2. The second part of the document is a list of names and addresses.

Introduction:

The following are names of people who served in military in the United States in the 19th century and who lived in Clatsop County at some time. The list is not meant to be exhaustive, as I am sure the actual number would be many times the length of this list. The 19th century newspapers in Astoria rarely printed obituaries and when they did, seldom listed military service. These names, however, are the ones that I have come across in my research. I have printed this list with the hope that it may help someone searching for information about an ancestor or his collateral line. I added odd bits of information and some obituaries to remind us that these were human beings. One caution: contradictions were found; I left them in.

Other names could be added from Marshall Hanf's books on Fort Stevens; from the Fort Stevens Military Cemetery book printed by the Clatsop County Genealogy Society; from the census; from the Oregon State Archives at Salem; from the Oregon Historical Society in Portland, the Genealogical Forum of Oregon in Portland and the National Archives.

There were also numerous other skirmishes. Records are also available from the 18th Century and before and some 20th Century records can be ordered.

Records were kept of each man's service. These records are available from the National Archives. Indexes to military service can be ordered on microfilm from American Genealogical Lending Library (A.G.L.L.) through the Astoria Public Library and many other libraries throughout the U.S. or if you want, you can join A.G.L.L. and get a catalog. To do this, look in a recent issue of "Genealogical Helper" magazine at the library. If you already know the military unit the person you are searching for was in, you can order a copy of his record from the National Archives. You need to order the forms first. Request NATF 80 forms from:

reference Services Branch (NNIR)
National Archives and Records Service
8th and Pennsylvania Avenue, NW
Washington, D.C. 20408

Pension Records generally contain more information than the military records. You will be asked to send \$5.00 if they find a record, and in about 6 weeks, after payment, you should receive the photocopies. If you want every bit of information order both the military and pension records and write at the top of both order forms, "Send Complete Record". This may amount to \$30.00 or so for each. The whole process can take three months, so, the sooner you send for the forms, the sooner you will have the veterans records, and probably, you will have more information about the person you are researching than you ever dreamed possible. This is a lot of money to spend if the record turns out to be for the wrong person. To be cautious, order the standard \$5.00 amount.

ORDER FOR COPIES OF VETERANS RECORDS

INSTRUCTIONS FOR COMPLETING THIS FORM

Submit a separate set of forms for each file you request (see Item 1). **WE WILL SEARCH ONLY ONE FILE PER FORM.** Remove this instruction sheet. Do NOT remove any of the remaining three pages of this form. Items 2-6 MUST be completed or we cannot search for the file. Print your name (last, first middle) and address in the box provided. This is your mailing label; the information MUST appear on all copies. Mail the completed form to:

Military Service Branch (NNMS)
National Archives and Records Service
8th and Pennsylvania Avenue, NW
Washington, DC 20408

DUE TO THE HEAVY VOLUME OF REQUESTS, PLEASE ALLOW A MINIMUM OF 8-10 WEEKS FOR PROCESSING OF YOUR ORDER.

Do NOT use this form to request photocopies of records relating to service in World War I or II, or subsequent service. Write to: National Personnel Records Center (Military Records), GSA, 9700 Page Boulevard, St. Louis, MO 63132.

IMPORTANT INFORMATION ABOUT YOUR ORDER

We can only search for a record based on the information you provide in Blocks 2-17. The success and accuracy of our search is determined by the completeness and accuracy of the information you provide. When you send more than one form at a time, each form is handled separately. Therefore, you may not receive all of your replies at the same time.

Military service records rarely contain family information. Pension application files generally are most useful to those who are doing genealogical research and contain the most complete information regarding a man's military career. We suggest that you first request copies of a man's pension file. You should request copies of a bounty-land warrant file or a military record only when no pension file exists. **If the veteran's service was during the Revolutionary War, bounty-land warrant applications have been consolidated with pension application papers. You can obtain both files by requesting the pension file only.**

Often there are many files for veterans of the same or nearly the same name. If there are **five or fewer files** for men with the same name as the individual in whom you are interested, we will examine all the relevant files and compare their contents with the information that you have provided us. If the veteran's identity seems obvious, we will furnish you a copy of the file we think is the correct one.

DO NOT FORWARD PAYMENT WHEN SUBMITTING THIS FORM FOR SEARCH. When we search your order, photocopies will be made of records that relate to your request. At that time we will invoice you for the cost of these copies. **WE WILL HOLD THESE COPIES AWAITING RECEIPT OF PAYMENT FOR 30 DAYS ONLY.** After that time, you must submit another form to obtain photocopies of the file.

USE ONLY NATF FORM 80 TO OBTAIN COPIES OF VETERANS RECORDS. We cannot process requests submitted on reproductions of this form. Write to the address below to obtain additional copies of this form.

If there are more than five files, we will not make a file-by-file check to see if the information in the numerous files matches that provided for the veteran in whom you are interested. In such cases, we suggest that you visit the National Archives and examine the various files, or hire a professional researcher to examine the files for you. We do not maintain a list of persons who do research for a fee; however, many researchers advertise their services in genealogical periodicals, usually available in libraries.

When we are unable to provide copies of all documents, because of the size of a pension or bounty-land warrant application file, we will send copies of the documents we think will be most useful to you. You may order copies of all documents in a file by making a specific request. We will notify you of the cost of the copies.

Additional copies of this form and more information about the availability of records pertaining to military service or family histories may be found in our free genealogical information leaflets and forms. These may be requested by writing to:

TYPES OF RECORDS THAT CAN BE ORDERED WITH THIS FORM

PENSION APPLICATION FILES based on Federal (not State) service before World War I. Pension files usually include an official statement of the veteran's military service, as well as information of a personal nature. Pensions based on military service for the Confederate States of America were authorized by some Southern States but not by the Federal Government until 1959. Inquiries about State pensions should be addressed to the State archives or equivalent agency at the capital of the veteran's State of residence after the war.

BOUNTY-LAND WARRANT APPLICATION FILES based on Federal (not State) service before 1856. Documents in a bounty-land warrant application file are similar to those in a pension application file. In addition, these files usually give the veteran's age and place of residence at the time the application was made.

MILITARY SERVICE RECORDS based on service in the UNITED STATES ARMY (officers who served before June 30, 1917 and enlisted men who served before October 31, 1912); NAVY (officers who served before 1903 and enlisted men who served before 1886); MARINE CORPS (officers who served before 1896 and enlisted men who served before 1905); and CONFEDERATE ARMED FORCES (officers and enlisted men, 1861-1865). In addition to persons who served in regular forces raised by the Federal Government, volunteers fought in various wars chiefly in the Federal Government's interest from the Revolutionary War through the Philippine Insurrection, 1775-1902.

Compilations of information concerning most military service performed by individuals in volunteer organizations during the nineteenth and early twentieth centuries are available, but such records were not compiled for Regular Army officers who served before 1863 and for Regular Army enlisted men and Navy and Marine Corps personnel who served during most of the nineteenth century. Records pertaining to such service are scattered among many files and generally contain few details concerning a man's service. We cannot undertake the research necessary to locate all such documents. If you request a military service record, we will copy the documents which best summarize the veteran's service.

The record of an individual's service in any one organization is entirely separate from his record of service in another organization. We are unable to establish accurately the identity of individuals of the same name who served in different organizations. If you know that an individual served in more than one organization and you desire copies of all of the military service records, submit a separate form for the service record in each organization.

Discharge certificates are not usually included as a part of a compiled military service record. Prior to 1944, Army regulations allowed the preparation of an original discharge certificate only, which was given to the soldier. Confederate soldiers in service at the time of surrender did not receive discharge certificates. They were given paroles, and these paroles became the property of the soldier.

Rt. 3, Box 525
Astoria, OR 97103

Dear Ms. Penner:

The military records for Michael Marchino and Charles J. Newman you need in your research are not open to the public until this fall because they are being processed. In any case the only material we probably have for the Civil War period is the muster rolls. The following item is included with this letter: Copies of Name Catalog entries for your subjects.

In the meantime, you may be able to obtain pension records by contacting:

National Archives & Records Administration
6125 Sand Point Way N.E.
Seattle, Washington 98115

Please write us again, before this fall, if we can assistance you in any other way. Requests should be brief and limited to two specific individuals. Also, please request a search of only one census year or record source at a time. It is not necessary to enclose a stamped return envelope with your letters. Do not send cash or checks with your request. The Archives charges 15 cents per photocopy, 20 cents per microfilm copy and postage at cost. When remitting payment please note the number and type of copies for which you are paying.

Your check for \$20.00 is being returned.

Yours truly,

Liisa Penner

Dear Ms. Penner:

Your letter concerning Privates Michael Marchino and Charles Newman was forwarded to me by the Attorney General's office where it had been missent.

We do not have records of either the 1st Oregon Volunteer Cavalry Regiment or the 1st Oregon Volunteer Infantry Regiment. Both units were federal volunteer regiments raised during the Civil War to serve in Oregon as protection against Indian troubles. Had they been Oregon Militia units, we would be in a better position to provide the information.

However, we have discussed your inquiry with Mr. Tim Backer in the State Archives office. He requested we forward your letter to him for what information might be available, and for further coordination with the National Archives in Washington, D.C. In the event you may want to correspond with him, his address is: Archives Division, Office of the Secretary of State, 1005 Broadway N.E., Salem, OR 97310

I wish you the best of success in your historical search.

Sincerely,

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably
to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and
mental infirmity, which would in any way disqualify him from performing the duties of a soldier.

HEART TROUBLE TAKES B. F. ALLEN, VETERAN

Prominent Business Man and
G. A. R. Adjutant Dies
Suddenly at Home.

Benjamin F. Allen, a veteran of the Civil war, for many years one of Astoria's leading merchants and state adjutant of the Grand Army of the Republic, died about 4:30 yesterday afternoon at the home of his son on Bond and Eleventh streets. His death was due to heart trouble and came unexpectedly after an illness of a few hours. Mr. Allen had been working during the morning as usual, but shortly before 3 o'clock, on returning from a visit to the postoffice, he became ill. A physician was summoned and he rallied for a time, but he gradually grew weaker, although he appeared in the best of spirits and discussed business affairs with his son, until just before he passed peacefully away.

Mr. Allen was exceptionally active, not only in his business affairs, but in G. A. R. circles as well. At the recent state convention he was elected a delegate to the national convention of the veterans, an annual function which he has attended for many years.

Grauling was his art. He had devoted his life to it and he was a noted expert in the imitation of natural woods. His display of wood imitations was among the finest in the country and his exhibit at the ~~Pacific exposition in San Francisco~~ won him a nation-wide reputation.

Mr. Allen was born in New York and was 75 years of age on May 15 of this year. When 19 years of age he enlisted in Company F, 132nd Illinois Infantry, and served during a portion of the Civil war. Following the close of the war he followed his chosen profession in Chicago until 1886 when he came to Astoria and established the business in which he was interested at the time of his death. Mr. Allen served one term in the Oregon state legislature as representative from Clatsop county and was a charter member of Cushing Post, G. A. R., being prominently identified with its activities.

He is survived by one son, Dan B. Allen of this city, and one daughter, Mrs. B. Freud of Chicago. The remains are at the Hughes parlors, where they may be viewed by friends, and the funeral will be held from there under the auspices of Cushing Post, the date and hour being announced, as soon as the relatives are heard from.

Jewell Pioneer Is Reported Dead In California Home

Asaac Newton Foster, pioneer of Jewell, Ore., died in the Soldiers' Home at Sawtelle, Cal., on November 9, and was buried with full military honors, according to word received from his son, C. E. Foster of The Dalles.

Mr. Foster was a soldier in the Union army during the civil war and came to Oregon immediately after the war was over. He lived for a short time in the Willamette valley near Buena Vista, where he married Anna Metcalf. They came to Jewell after the marriage and hewed a home out of the wilderness in that district.

Mr. and Mrs. Foster reared a family of nine children in Jewell, all of whom are now living. Two of them, Curtis Foster and Joseph N. Foster, still live in Jewell.

Mr. Foster was the first public school in Jewell and was postmaster there for several years. He held several public offices in Clatsop county and was active in civic work such as road building. His wife died in 1902 and is buried in Jewell.

THE VOICE OF THE MINISTERS.

A Communication From the Ministerial Association of Astoria.

At a meeting of the Ministerial Association of Astoria, the following resolution was adopted:

To the Editors and Publishers of Our Monday Papers:

GENTLEMEN: Believing that the issuing of our Monday morning papers is not only a violation of our laws, and a desecration of the Lord's day, but that it is also a gross outrage upon yourselves, and all those engaged in getting out those papers by depriving you of the rest and recreation of the Sabbath which you so much need, and feeling assured that the suspension of those papers would offend but few, if any of your patrons; we the Ministerial Association of Astoria would respectfully request that the Monday issue of your papers be discontinued. Hoping that this request will meet with your favorable consideration, we remain very sincerely yours, in behalf of the association.

ASTORIA EVENING BUDGET, ASTORIA, OREGON, MONDAY, OCTOBER 10, 1927

Ex-Astoria Veteran Aided in Capture Of President of Rebels

Backing his statements with age when, as a private of the First Wisconsin Cavalry, he participated in the capture of Jefferson Davis. He had enlisted in the Union army at the age of 14 and is now 77 years old.

John Huntamer of the Soldiers Home at Orting, Wash., and a former resident of Astoria, vigorously denies the claims of H. W. Miller, 85, of Greensburg, Ind., who has sought and attained publicity throughout the entire United States as the last surviving member of the party of Union troops which captured Jefferson Davis.

Mr. Huntamer, who is in Astoria visiting his daughter, Mrs. Cecil Lewis, declares that Miller's story is false in a number of particulars, some of them so glaring as to cast doubt upon the authenticity of his claim of having been with the soldiers who captured the Confederate president.

In the first place, Miller is not the last survivor. Mr. Huntamer knows of at least two, himself and H. Schulder, a cousin of his with whom he still maintains correspondence.

In his claim Miller says that Jefferson Davis was captured at Ocilla, Ga., while it is an historical fact that the capture was made at Irwinsville, Ga.

Again, Miller gives further life to the old tradition that Davis was wearing women's clothes when he was captured. While this myth has long been accepted, Mr. Huntamer vigorously denies it.

Mr. Huntamer was 15 years of

Columns of the First Wisconsin and Fourth Michigan Cavalry pursued Davis and converged upon his hiding place from two directions. Two men were killed and four wounded when the Union columns mistakenly fired upon each other.

Reward Received

The former Astorian received \$273 of the \$100,000 reward offered by the federal government for the capture of the former president.

Mr. Huntamer says that not infrequently former members of the First Wisconsin and Fourth Michigan cavalries who were not in the Jefferson Davis columns lay claim to that distinction.

He is not able to say positively that Miller was not with the party, but he knows he is not the last surviving member of the group, and that other points of his story are so grievously in error as to cast doubt on the authenticity of the whole.

Mr. Huntamer lived in Astoria for a number of years, being connected with the Schmidt cold storage plant, and is well known in this city.

LEWIS NELSON MITCHELL

26 Jan 1901 Astoria Daily Budget

This morning at Knappa was laid to rest the mortal remains of Mr. Lewis Nelson Mitchell, a resident of Knappa for the past twenty-six years. After a lingering illness of some two years' duration, Mr. Mitchell passed away on Thursday, January 24. His ancestors came to this country from England in the ship Ann in 1623. The deceased was born at Sindey, Maine, on May 21, 1832, and moved with his parents to Illinois in 1837 and to California in 1853, returning to Illinois in 1856, where he married Elizabeth Warner, who with four children survives him. At the breaking out of the civil war Mr. Mitchell enlisted in Company A, Eighty-fourth regiment of infantry of Illinois volunteers on July 21, 1862. He received a commission as first lieutenant August 25, 1863, and was mustered out at Nashville, Tenn., in 1865. He came to Oregon via California in 1873 and settled at Knappa in 1874 where he has continuously resided until the date of his death. The funeral services were conducted from the Presbyterian church at Knappa, in the presence of a large number of friends and neighbors by the Rev. Wm. Seymour Short, of this city, a warm personal friend of the deceased, and the services at the grave were conducted by the master and brethren of Temple Lodge O.F. and A.M. and companions of St. John chapter R.A.M. of which two organizations Mr. Mitchell was an honored member.

Sir

I would respectfully report
to the Commanding Officer of this post
that Pot: Marchin of the Oregon Mounted
Volunteers has been on the sick report since his
arrival here. He is suffering from a chronic
inflammation of the eyes, the result of old age
and a broken constitution induced by bad habits.
The disease existed before his enlistment.
He is unfit for the discharge of the duties of a
soldier and his remaining in the service will
be only protraction of an expenditure of medical
supplies.

Very respectfully,
Your obedient servant
A. Hegar

Sir
Lieut. Haskell 4th Reg. C.V.I. Asst. Surg: A. S. Dr

LOSSES BY THE INDIANS.

A son of Hon. R.W. Morrison of Clatsop plains, has lost heavily by the indian raid into Grant county. In a letter to his brother-in-law, Mr. John Minto, of Salem, dated Canyon city road June 24th, Mr. Morrison says: "We gathered our cattle together this spring for the purpose of driving them to Steins mountain to sell. My wife's father, her brothers and myself, having five hundred and thirty head, started and got about one hundred miles on the road when we received warning that the indians were all around us. We then turned back with the cattle, hoping we could reach home with them. We got within forty miles of home, when the indians attacked some men near our camp, and we were forced to leave our cattle and run for our lives, leaving everything but our horses to the mercy of the indians. All this happened in a tolerably thickly settled country, and you may be sure it has created a terrible excitement among the settlers. They are all leaving the best they could, and at last accounts three men were missing, supposed to have been killed. The worst of all is, the people are without arms, and cannot do anything. I have nothing in the shape of a gun, and there are a great many men here in the same fix. I thought you might be able to get me some guns from the state, or from those, who have them in their possession. I wish you would try and get me six Springfield needle guns, with one hundred rounds of ammunition to every gun. Put them in as small a box as you can, and send by express to me at the Mountain house, Canyon city road, Grant county, Oregon. If you can do anything, do it quick, for I need the guns this very hour. I think my wife and her family are in a safe place but the indians are liable to be in this neighborhood at any time. They are well armed with breech-loading guns, and a few men with muzzle loaders cannot do anything with them."

THE INDIAN RAID

Mr. Hayden Gearhart returned yesterday from his trip to Columbia county, above Walla Walla. He says the indians are worse scared in that part of the country than the whites. He visited Col. Spedden's sons near Pomeroy, and reports the Astoria colony hopeful of success. So mote it be. It is our opinion that the raiding indians will give Walla Walla, Waitsburg, Dayton, Pomeroy, Almota, etc., a very wide berth. They will probably cross the Columbia between Willow creek (30 miles below Umatilla), and the mouth of John Days, taking to the Simcoe mountains, and following up the north and west bank of the Columbia to British territory, avoiding the settlements south of Colville and east of the Columbia.

Both articles date to July 7, 1878 in the Daily Astorian

INDIAN WAR

The Columbia river has brought the Indian war home to us, or rather some of its immediate effects. Last week Thursday, a dead warrior lashed to his horse, also dead floated by Vancouver and was discovered by a boatman, who secured a good robe from the back of the saddle.
